

Subject:
Changes within KBM Affilips group

Date:
01-11-2022

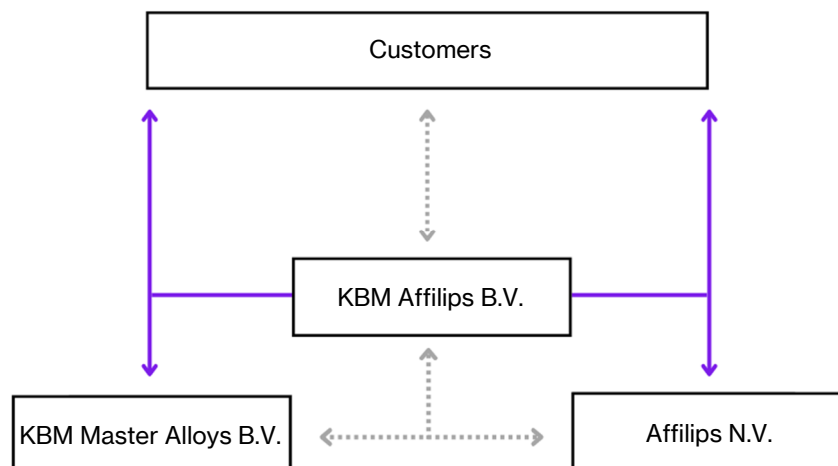

Annex:
Supplier details production companies

Dear valued customer,

We would like to inform you about the changes in the organisation of the KBM Affilips group, that will come into effect on January 1st, 2023.

These changes are meant to further streamline our business and IT processes by reducing the intercompany transactions between our group companies, (dating from 1993), that are increasingly preventing our ambition to be your 'hassle-free' supplier of choice.

As you will see below our production companies Affilips N.V. (BE) and KBM Master Alloys B.V. (NL) will be your contract partner and will continue to produce and supply the very same products you have been receiving from them, but will now also take responsibility for agreements, order confirmations, order processing, and invoicing. KBM Affilips B.V. (NL) will continue to provide primary customer care with unchanged staff, assisting you with information and quotations on behalf of the production companies. So, products and people will remain the same but administrative processes will change.

Grey dashed line: old organisation structure KBM Affilips group.

Purple line: new organisation structure KBM Affilips group.

All companies will work as fully integrated members of the KBM Affilips group, and your contacts will

remain the same. To emphasize this corporate group identity new logos have been designed for all members of the group.

In brief the new situation will be as follows:

Remaining	<ul style="list-style-type: none">• Commercial contacts• Products and production sites• KBM Affilips website
Changing	<ul style="list-style-type: none">• Rebranding with new company logos (old logos will gradually be phased out)• As per 01-01-2023 existing orders will be invoiced by your new contract partner, Affilips N.V. or KBM Master Alloys B.V., by using their address and bank account¹• New orders will be confirmed, processed, and invoiced by either Affilips N.V. or KBM Master Alloys B.V.• Digital documents will be the preferred option• Affilips website will be redirected to KBM Affilips website

¹ Relevant details of Affilips N.V. and KBM Master Alloys B.V. are attached to this letter, enabling you to adjust your supplier records.

We have launched a dedicated webpage to provide more details and answer questions that may arise (<https://group.kbmaffilips.com>). For your convenience you may reach it by using the QR-code.

Of course, your present contact(s) at KBM Affilips B.V. will be more than pleased to offer further information where required.

We thank you in advance for your support in this transition and express our conviction that it will add value to our business relationship.

On behalf of the KBM Affilips group,

Gunter Gielen

Managing Director KBM Affilips B.V.
